

TIME IN A BOX

Make Time Stand Still ~ Make Memories Last

Cherish and remember your child's milestones by collecting special mementos for preservation in timeless archival kits. Imagine your child's feelings of self-esteem and love when the box is opened and enjoyed years into the future.

Baby Textile Preservation Kits

Baptismal gowns, heirloom quilts, blankets, clothing and new items destined to be family treasures will look beautiful in our cotton-swathed archival box with custom monogramming. Keeping favorite baby clothes in plastic containers will only cause those items to fade, get moldy, and deteriorate. If you are planning to hand down or simply enjoy in the future a few of baby's most special pieces, this is the place to store them.

This Kit Includes:

- Inert polymer box
- Choose from two sizes:
Baby (16Wx16x6D)
Small (23Hx24Wx4D)
- Packing and care instruction
- Cotton liner
- Cotton muslin cover
- Cotton gloves
- An ample supply of acid free, lignin-free unbuffered tissue
