

TIME IN A BOX

Make Time Stand Still ~ Make Memories Last

How does your family pass down its legacy of personal history and life experiences? When the past is too distant or complex for mere memory, we rely on the family album or treasured keepsakes to give us a sense of time, place and connection. Family heirlooms do not need to be “old” or “valuable” to be meaningful to you. Whether it is Great- Grandma’s handmade quilt, an uncle’s wartime letters, old newspapers, military uniforms or Medals of Honor, our kits are perfect for staying organized while offering the best care for investments, monetary or sentimental.
